

REMARKS

Support for new independent claim 13 is found inherently in the specification under Metalworking Lubricant Compositions, pp. 17-26. Support for new independent claim 14 is found inherently in the specification under Compositions for Electroplating and Electrowinning, pp. 26-36.

No new matter was added in the claims.

The new method claims 13-23 are not disclosed in the references previously cited by the Examiner, therefore the Examiner is requested to enter and allow the claims.

Respectfully submitted,
